

CAREERS in SCIENCE

Check off the areas that interest you to see if Science is in your future.

Occupational Specialty	Education Level	National Avg Salary/Yr
<input type="checkbox"/> Chemical Technician	High School	\$43,310
<input type="checkbox"/> Anthropologist	Doctoral	\$58,360
<input type="checkbox"/> Microbiologist	Post-Doctoral	\$67,840
<input type="checkbox"/> Chemist	Bachelor's	\$72,350
<input type="checkbox"/> Geographer	Master's	\$74,750
<input type="checkbox"/> Materials Scientist	Master's	\$88,660
<input type="checkbox"/> Physicist	Post-Doctoral	\$110,110
<input type="checkbox"/> Environmental Scientist	Bachelor's	\$65,090

Related Interests:

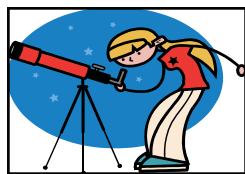

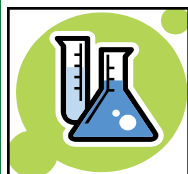

- Visiting a science museum
- Exploring caves
- Collecting rocks
- Identifying plants, animals, and marine life
- Conducting science experiments
- Studying objects
- Designing experiments
- Watching the weather
- Tracking storms
- Stargazing

Related Classes:

- Earth Science
- Biology
- Anatomy
- Physics
- Chemistry
- Statistics
- Geology
- Math
- Algebra I, II, III
- Trigonometry
